NOTE: The teleconference call will originate and will be audible to the public from the Commission office, 1416 Ninth Street, Room 1320, Sacramento. Interested members of the public are encouraged to attend at this location.

DISCUSSION ITEM

1. FINAL CERTIFICATION OF ENVIRONMENTAL DOCUMENTS, ADOPTION OF FINDINGS AND PROPOSED PROJECTS (OR ALTERNATIVES), AND FINAL ADOPTION OF THE 2007-2010 MAMMAL HUNTING AND TRAPPING REGULATIONS. (ACTION ONLY, NO FURTHER PUBLIC COMMENTS.)

¹ These facilities are accessible to persons with disabilities. To request reasonable accommodations for a disability, please contact California Relay Service at 1 (800) 735-2929 (TT) or 1 (800) 735-2922 (Voice) and ask them to contact the California Fish and Game Commission at (916) 653-4899.

² The public is encouraged to comment on any item on the agenda. In order for the Commission to adequately consider public comments, the public is requested to submit written comments no later than eight days prior to the meeting. Written comments received fewer than eight days preceding the meeting will be submitted to the Commission at the meeting; however, Commission staff is unable to deliver material received one day before and on the day of the meeting to the Commissioners when the meeting is not in Sacramento. Please send your comments to be received no later than two days before the meeting.

If you decide to speak at the Commission meeting, please begin by giving your name and affiliation (if any) and the number of people represented by your organization. Then tell the Commission your concerns in five minutes or less. Time allotted for each agenda item depends upon the number of speakers for each item and the length of the agenda. The Commission is interested in your views; don't worry about how to say them. If several people have spoken, try not to be repetitious. If there are several with the same concerns, please try to appoint a spokesperson. The Commission is particularly interested in the specific reasons you are for or against a proposal because the Commission's decision needs to be based on specific reasons.

If you would like to present handouts/written material to the Commission at the meeting, please provide eight (8) copies.

³ Sections 353 and 475, Title 14, CCR, regarding methods authorized for taking big game and methods of take for nongame birds and nongame mammals has been removed from consideration for adoption. Additional reports and discussion will be continued at the May 4, 2007, meeting in San Diego.
